

R E M A R K S

The specification has been amended to provide sequence identifiers. Applicants' amendments do not introduce new matter.

The Examiner has requested that a substitute Sequence Listing be provided. Applicants submit this Preliminary Amendment and Response to provide as a separate part of the disclosure, a "Sequence Listing" pursuant to 37 C.F.R. §§ 1.821-1.825. Applicants submit herewith in paper copy and on floppy disk in computer readable form the substitute Sequence Listing.

Applicants respectfully request entry of this Preliminary Amendment prior to examination of the present application.
